A Message from the President...

Greetings!

As the summer of 2003 heats up, so do things for the Wynbrook Neighborhood Association (WNA). The WNA had a very successful Members-Only Picnic on Saturday, July 19. We had WNA members from last year come out and renew their WNA memberships for 2003-2004, plus we also had some brand-new members join that afternoon. *The Montgomery Advertiser* also came out to cover the picnic and an article with pictures was featured in the paper the next day. We hope to have more WNA social events starting with Neighbor's Night Out this month, a Fall Neighborhood-wide Yard Sale, and a Safe Neighborhood Halloween Trick-or-Treat Night.

I am also very proud of the officers that have been elected to serve for this year. We had our first officer's meeting of the year this week and the entire group had a level of unity and long-term vision that truly impressed me. I feel all of our officers are very dedicated to the WNA purpose "to enhance and preserve the quality of life in the Wynbrook neighborhood." Our Immediate Past President Rosalind Toles is in the process of updating the 2003-2004 list of Block Captains in order to move forward with our Neighborhood Watch program. Vice-President Todd Griffith has been working with the city to get the beginning of Hidden Meadow Drive mowed on a regular maintenance schedule. These are just a couple examples of what WNA is doing for you.

Treasurer Lynn Henley reported that we already have more active WNA members this first month, than we did last year! So, the interested, support, and involvement in WNA is steadily growing. We hope to have 100 WNA members by the end of August and we encourage all our current WNA members to visit your neighbors and encourage them to join WNA and come to our next meeting on August 12. Jim Spear, a candidate for the District 1 City Council seat, will be our special guest. We'll be under the Wynbrook tent in the lawn by the Wynbrook welcome sign. The meeting starts at 6:30 p.m., so be sure to come early and bring a lawn chair.

With warmest personal regards,
Robert H. Traphan
